Screening result : Revise

Dear Mr. Jhonni Rahman,

I am writing to you regarding the manuscript #ME-4674 entitled "**The Effect of Load and Moving-Speed on Free Rotating Rubber-Wheel Contact Through Fluorescence Microscopy Observation Technique.**" which you submitted to International Journal of Technology (IJTech).

After we made an initial screening we found some problem including:

1. Delete author information, The submission will undergo the blind-review process. Hence, the submitted file **MUST NOT** include any author information. Author information will be added after the blind-review process.
2. Your reference style is not suitable for IJTech format. You may find IJTech references style at our official website: <http://ijtech.eng.ui.ac.id/about/4/author-guidelines> (font Cambria, size 12 pt)

We recommend that this manuscript be revised in order to proceed to peer review.

You must respond to this revise and resubmit request before **20 Jan 2021**, after which point we will presume that you have withdrawn your submission from International Journal of Technology (IJTech) Online System.

Yours sincerely,

Dr. Nyoman Suwartha

Dear IJTech,

I found that my submitted article is not being processed due to incomplete manuscript till now. The title is "The Effect of Load and Moving-Speed on Free Rotating Rubber Contact Through Fluorescence Microscopy Observation Technique".

However, I don't know how to correct this submission.

So, I decided to withdraw the article.
