Please submit your revision in 10 days. More than 10 days of paper will be rejected from the system. Re-upload your revision into journal system NOT via email.

Editor

Reviewer A :

This research already has Novelty and contributes to urban development and can be applied in other cities.

Reviewer B:

I only found small correction needed such formatting the pictures and tables that need to match with the journal format. for the methodology used and the discussion show the ability to improve more knowledge in the geological field. this paper is match and suitable to publish in this journal.
