Dear Author,

I kindly request you to proof read and acknowledge the final format of your paper. Please be informed that the paper will be published in 'Solid State Technology' a Scopus Indexed Journal.

After careful monitoring and evaluation of IJAST/JCR we have decided not to publish the articles in the journals as they are still under Scopus Investigation and the outcomes are yet to be confirmed.

We have made the choice of publishing in SST so that article is indexed within a month of publication.

Please be informed that on receiving your acknowledgement of proof reading the papers will be published and no changes will be possible after publishing. Therefore I request you to have a thorough proof reading of the paper.

Thanks and Regards

Shankar Duraikannan

Dear colleagues,

I am pleased to inform that all accepted papers in SIET 2020 are now published in **Solid State Technology (Scopus-indexed based on latest database)** and available online in <http://solidstatetechnology.us/index.php/JSST/issue/view/45>. Thank you for your support which makes SIET 2020 successful and we are looking forward to your participation in SIET 2021.

For all the authors, do email to siet@apu.edu.my before **October 16, 2020** if any amendments required. You can find your papers in the following link.
