Subject: DISCUSSION METHOD ACCURACY IN ISLAMIC HIGHER EDUCATION LEARNING: THE INFLUENCE OF GENDER AND TEACHING DURATION OF LECTURERS

Dear,

Editor Jurnal Cakrawala Pendidikan

We extend our greetings and prayers that the Editor is in good health and successful in carrying out daily activities. Amen.

Based on the direction of reviewers and editors, we have improved this manuscript with great effort. The things that we fixed-according to the reviewer's direction-are;

1. We have reduced the number of words according to our guidelines.
2. We have completed the abstract with the aim, approach and type of research, as well as the language we have improved.
3. In the method section, we have completed the approach and type of research, reasons for choosing two universities, sampling technique, validity and reliability of the instrument.
4. In the results section, we have improved the way of quoting in the body of the article and also in the whole of this manuscript. We have also added a discussion with references.
5. In the bibliography section, we have also improved the way of writing.

We sincerely hope that our manuscript can be published in this journal. For the kindness and attention of our editors, we thank you very much.

Best regards,  
Syahraini Tambak

Subject: DISCUSSION METHOD ACCURACY IN ISLAMIC  
HIGHER EDUCATION LEARNING: THE INFLUENCE OF  
GENDER AND TEACHING DURATION OF LECTURERS

Dear editors,

We hereby send the results of our revised manuscript based on the results of the second review. We've fixed things redirected: We have explained the focus of the problem on the background, and it has also been integrated with the results and discussion, as well as conclusions;

The urgency of the discussion method's accuracy in terms of gender and teaching experience has been described in the background, and we have suggested that there are theoretical and methodological reasons for the focus of the research; including a description of the position and value of the research novelty;

In the method section, we have also explained the stages or steps of the research (data and data sources, data collection methods, validity and reliability, data analysis techniques);

The results of the research have also been improved and according to the research focus; We have enriched the discussion with theoretical references and comparisons with relevant previous studies; and the last on

We have also adjusted the conclusions according to the direction in which the implications of future research (based on the results and discussion) have been included.

Best regards,  
Syahraini Tambak

HIGHER EDUCATION LEARNING: THE INFLUENCE OF  
GENDER AND TEACHING DURATION OF LECTURERS

Dear Editors,

We hereby send the revised results of our two manuscripts based on the results of reviews from two reviewers. We've fixed things redirected:

We have improved the abstract in which the type of research, research procedures, we have refined; We have explained the focus of the problem on the background, and have also integrated the results and discussion, as well as conclusions;

The urgency of the discussion method's accuracy in terms of gender and teaching experience has been described in the background, and we have suggested that there are theoretical and methodological reasons for the research focus; including a description of the position and value of the novelty of the research;

The method section has also explained the stages or steps of the research (data and data sources, data collection methods, validity and reliability, data analysis techniques);

Research results have also been improved and are in line with the research focus; We have enriched the discussion with theoretical references and comparisons with relevant previous studies; and lastly also we have adjusted the conclusions according to confirming the results and conclusions, limitations of the study, and implications of future research.

Best regards,  
Syahraini Tambak
