We pray to Allah SWT, I wish the Editor Team a healthy and successful condition in carrying out their daily activities.

Next, we have revised our manuscript according to reviewers' notes and directions, namely:

1. We have completed the abstract in accordance with the directions which contain 5 things, namely; problems encountered in the field; research objectives and focus; the methods and approaches used; data analysis; and results, conclusions and research implications.
2. We have improved the references and we refer to them from Scopus, Sinta 1 and Sinta 2.

Thus we convey this, with the hope that this manuscript can be processed at a later stage.

Best Regards,

Syahraini Tambak
