The image shows two screenshots related to the journal submission process. The top screenshot is of the IIETA submission website, which includes a sidebar with navigation links like 'ABOUT', 'Aims and scope', 'Editorial Board', 'Instructions for Authors', 'Article Processing Charge', 'Publication Ethics', 'Submission', 'Current Issue', 'Archive', and 'Citation List'. The main content area is titled 'SUBMISSION' and contains information about the submission process, including a login form with a 'Remember me' checkbox and a 'LOGIN' button. It also mentions 'ONLINE SUBMISSIONS' and provides links for 'SUBMIT A RESEARCH PAPER' and 'GO TO REGISTRATION'. The bottom screenshot is of a Gmail inbox. The selected email is from 'Sri Hartati Dewi' (srihartatidewi@eng.ui.ac.id) to 'Kotak Masuk' (External). The email content is as follows:

Dear Annales de Chimie - Science des Matériaux (ACSM) Journal Committee,

I would like to submit the original research article entitled "Effect of Petrified Wood as a Coarse Aggregate Substitute on the Compressive Strength of Concrete" for consideration by the Journal of Annales de Chimie - Science des Matériaux (ACSM) Journal .

I confirm that this work is original and has not been published elsewhere, nor is it currently being considered for publication elsewhere.

We do not have any conflicts of interest to disclose.

Thank you for your consideration of this manuscript.
