

## ACKNOWLEDGEMENT

All praise is devoted to Allah SWT, the only praise working and universal who always give a peace with blessing to the writer. Greetings and salawat may always be devoted to the Prophet Muhammad SAW. The author would like to say thank you profusely for all the help that has been given, either directly or indirectly during the preparation of this final thesis to complete. Thus she would like to express her greatest gratitude to all of her family especially her beloved father (alm baharuddin) and her mother Mina who always prayer, support and motivated her in every part of her life.

I respect and thank to Drs Elzaber, M.SI as the dean of teacher training and education faculty, for who give support and encouragement to finish this thesis. I extremely thankful to Drs. elzaber M.SI for providing such us a nice support and guidance, although he had busy schedule managing the corporate affairs.

I owe my deep gratitude to Mrs. Miranti Eka Putri, S.Pd.,M.Ed, the head of English study program of FKIP UIR, who took keen interest in my thesis work and guided me all along, till the completion of my thesis work by providing all the necessary information for developing a good system.

I also respect and thankfully to Dr. Rugayyah, M.Pd as head advisor and Yulianto, S.Pd.,M.Pd as vice advisor, for their timely for their suggestion, though and revision for the completeness of this thesis.

I am thankful to the English study program lectures and staffs who gave knowledge and guidance to the researcher, whom their names can't be mentioned one by one.

I would not forget to Mr. Ali Usman S.Pd as the head master of SMPN 3 Tambang permitted the researcher to carry out the research at the school him lead. Then, Mrs Sumarni S.Pd as an English teacher of second grade students and all of big family of SMPN 3 Tambang for the support, help, correction during the research implementation.

All of my friends from class D of English department, my best friends Tarzan and Vivi Indriani who have given big support and motivation to complete this thesis.

Finally the writer hopes her thesis can be useful for the writer in particular and for reader in general. The researcher realizes this thesis is still far from being perfect. Therefore constructive critics and suggestion from readers will be more appreciated.

Pekanbaru, 2 April 2018  
The researcher
